THANK YOU.

All sales require up to 2-3 weeks processing time to allow for proper inspection of your forklift prior to delivery. Quality control benefits both your business and ours.

- LP tanks are not included with used equipment purchases. Option to buy for \$500 empty or \$550 full. We recommend renting LP tank service from your local propane vendor.
- All used equipment purchases require payment in full prior to delivery.
- Any custom requests or modifications to equipment must be included on the invoice prior to payment. Any additional requests made after payment will require a separate quote and/or invoice for approval.
- Customer is required to have a loading dock OR will need to hire a roll-back tow truck to assist with offloading your forklift on site.

Thank you for choosing ForkliftTrader for your material handling

needs, we appreciate your business!
