APPROVALS AND AUTHORIZATIONS:

This permit is valid only so long as work conditions existing at the time of issuance continue. It expires when any change in conditions adversely affect the safety of the work area while work is in progress.

**STOP WORK IMMEDIATELY IF AN EMERGENCY ALARM SIGNALS AN EMERGENCY IN OR NEAR YOUR WORK AREA.
FOLLOW FIRE INSTRUCTIONS.**

I have personally inspected the location where the above work is to be done. I have checked for compliance with safety precautions listed on the permit and authorized the work to be performed.

The following must be signed by the contractor of the job site and the workers performing the job/task:

Title	Print Name	Signature	Date

**THIS PERMIT MUST BE POSTED ON JOB SITE
GOOD ONLY ON INDICATED DATE**
